

TERMS & CONDITIONS

1. **Academic Progress Requirement:** Scholars must maintain a **minimum grade point average (6+ for GCSE or B for A Level) throughout the duration of the scholarship.**
2. **Active Participation:** Scholars are encouraged to actively participate in extracurricular activities, leadership roles, community service, and events organized by the school.
3. **Professional Conduct:** Scholars must exhibit respectful behaviour, both within the school premises and in external environments, upholding the values and reputation of the institution.
4. **Personal Development:** Scholars are encouraged to engage in personal development initiatives such as workshops, seminars, and skill-building programs to enhance their holistic growth.
5. **Feedback and Improvement:** Scholars are encouraged to actively provide constructive feedback on the scholarship program, aiding in its continuous improvement.
6. **Contribution to the Community:** Scholars are expected to give back to the school community by sharing their experiences, mentoring juniors, or participating in awareness campaigns.
7. **Withdrawal from the Program:** If a student decides to withdraw from the scholarship program, written notice should be provided to the school administration in advance.
8. **Ethical and Responsible Behaviour:** Scholars must adhere to a code of ethical conduct, refraining from any form of cheating, or academic misconduct.
9. **Attendance Requirements:** Scholarship recipients must maintain a satisfactory attendance record, **attending a minimum 95% of school days.** Failure to meet the attendance requirement without valid reasons may result in a review of the scholarship status. Any prolonged absence must be communicated to the school administration in advance and supported by appropriate documentation.
10. **Termination of Scholarship:** The school reserves the right to terminate the scholarship if the recipient fails to meet the specified requirements, engages in unethical behaviour, or violates any of the terms and conditions.

*** The Terms and Conditions can be regarded as the annual KPI matrix for evaluating scholars.**
